### Maple festival a big hit

Prince Edward County's annual maple syrup celebration has been named one of the top 100 festivals in Ontario.

Maple In The County was given that designation by Festivals and Events Ontario, the trade group for the provincial events industry, at a conference held in London on the weekend.

The festival runs for two days and attracts more than 5,000 people with pancake breakfasts, wagon rides, fiddling contests and other activities at various locations throughout the county.

### Advertisement

It was developed by county economic development officials to highlight the first agricultural crop of the season and to promote tourism in what is usually a quiet time of the year.
