[Sugar Shack Ale and Barley Days Brewery](#)

March 31st, 2008

Its Maple in the County time and Barley Days Brewery played a big part in the festivities that take place on March 29th and 30th, throughout Prince Edward County, Barley Days launched the Sugar Shack Ale, made from Pure Dark Maple Syrup from Vadors Sugar Bush.

Brewmaster Doug Pengally was very creative with this Ale. tourist from Toronto, Ottawa, Montreal and local residents filled the Brewery for a taste of the brew and to enjoy some 2 steppin music orgainzed by the Festival Players of Prince Edward County (Hank Williams, the show he never gave)

The brew was paired with local foods prepared with the Sugar Shack AleThe Maple baked Beans were a big success. Two full days of Maple Fun and some great tasting beers.

Come in and enjoy a taste purchase your 6 pack of Sugar Shack.....only here until its gone
